# BLESSED

CLEANSE

Tartan waste  
Modern rituals  
Predetermined hangovers  
Structural Calvinism

Unarranged overdraft  
Oscified kebab meat  
Collective heart attack  
Have a wonderful day

Worship the impotent  
Yesterday's hero  
A miracle in reverse  
Exit at rear

Ultra violent doctrine  
The Caledonian cringe  
Head hunter/ meat grinder  
Hold me close.

Shared mortality  
Navigating without a moral compass  
Double pelvis  
Boyish not laddish

Sinking deeper into  
Tartan waste  
Abstract parasite.  
You made me believe in magic
